Dear Elected Official:

Hello, my name is \_\_\_\_\_, and I/my family reside in \_\_\_\_\_MD.

I am writing to advise you that I strongly oppose the discharge of stormwater from the East Palestine, Ohio train derailment sight, to the Back River Wastewater Treatment Plant. I believe our communities face the risk of exposure to hazardous chemicals as a result of this action, to be carried out by Safe Harbors. Not only is there a risk of exposure, but the Plant has been found to be in violation of the Clean Water Act on multiple occasions. This puts the health and safety of our communities in jeopardy, and could result in long-term environmental damage.

I strongly urge you to please take immediate action to stop the discharge of stormwater or any other contaminated materials from the site of the Ohio train derailment. Thank you for your kind and prompt attention to this urgent matter.

Sincerely,
